DEPARTMENT OF THE TREASURY
Internal Revenue Service
26 CFR Part 1
[REG-142333-07]
RIN 1545-BH28
Implementation of Form 990

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Notice of proposed rulemaking by cross-reference to temporary regulations.

SUMMARY: In the Rules and Regulations section of this issue of the Federal Register, the IRS and the Treasury Department are issuing temporary regulations necessary to implement the redesigned Form 990, “Return of Organization Exempt From Income Tax.” The temporary regulations make revisions to the regulations under section 6033 and section 6043 to allow for new threshold amounts for reporting compensation, to require that compensation be reported on a calendar year basis, and to modify the scope of organizations subject to information reporting requirements upon a substantial contraction. The temporary regulations also eliminate the advance ruling process for new organizations, change the public support computation period for organizations described in sections 170(b)(1)(A)(vi) and 509(a)(1) and in section 509(a)(2) to five years, consistent with the revised Form 990, and clarify that support must be reported using the organization’s overall method of accounting. All tax exempt organizations required under section 6033 of the Internal Revenue Code (Code) to file annual information returns are affected by the temporary regulations. The text of the temporary
regulations also serves as the text of these proposed regulations.

DATES: Written or electronic comments and requests for a public hearing must be received by November 10, 2008.

ADDRESSES: Send submissions to: CC:PA:LPD:PR (REG-142333-07), room 5203, Internal Revenue Service, PO Box 7604, Ben Franklin Station, Washington, DC 20044. Background and Explanation of Provision

Temporary regulations in the Rules and Regulations section of this issue of the Federal Register amend the Income Tax Regulations (26 CFR part 1) relating to sections 170(b), 507, 509(a), 6033, and 6043. The amendments to §§1.170A-9, 1.507-2 and 1.509(a)-3 eliminate the advance ruling process, clarify that support must be reported using the organization’s overall method of accounting, eliminate the exception for material changes in sources of support, and change the public support computation period for organizations described in sections 170(b)(1)(A)(vi) and 509(a)(1) and in section 509(a)(2) to five years, consistent with the revised Schedule A to the redesigned Form 990, “Return of Organization Exempt From Income Tax.” The amendments to §§1.6033-2(a)(2)(ii)(g) and (h) allow for new threshold amounts for reporting compensation and require that organizations use a calendar year basis or a basis that is prescribed by publication, form or instruction when reporting listed officer, director, trustee, key employee and independent contractor compensation. The amendments to §§1.6043-3(b)(8) and (d) expand the scope of organizations subject to information reporting requirements upon a substantial contraction. The text of those temporary
regulations also serves as the text of these proposed regulations. The preamble to the temporary regulations explains the temporary regulations and these proposed regulations.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It has also been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply. It is hereby certified that the collection of information in this regulation will not have a significant economic impact on a substantial number of small entities. This certification is based on the fact that burden on tax-exempt entities will be reduced by (1) eliminating the separate advance ruling process and the additional process for subsequently seeking a definitive ruling, (2) clarifying rules regarding the method of accounting and period for reporting certain items, and (3) providing discretion for the IRS to narrow or clarify circumstances under which reporting is required. Accordingly, a Regulatory Flexibility Analysis under the Regulatory Flexibility Act (5 U.S.C. chapter 6) is not required. Pursuant to section 7805(f) of the Code, these regulations have been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on their impact on small business.

Comments and Requests for Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any written comments (a signed original and eight (8) copies) or electronic comments that are submitted timely to the IRS. Comments are
requested on all aspects of the proposed regulations. The IRS and the Treasury
Department request comments on the clarity of the proposed rules and how they can be
made easier to understand. All comments will be available for public inspection and
copying.

A public hearing will be scheduled if requested in writing by any person that
timely submits written comments. If a public hearing is scheduled, notice of the date,
time, and place for the public hearing will be published in the Federal Register.

Drafting Information

The principal author of this regulation is Terri Harris of the Office of Division
Counsel/Associate Chief Counsel (Tax Exempt and Government Entities). However,
other personnel from the IRS and the Treasury Department participated in their
development.
